

Resolution of Appreciation

Presented to Livonia and Clarenceville
Boards of Education

Whereas, the members of the Boards of Education of Livonia Public Schools and Clarenceville Schools are elected by the voters of the community; and

Whereas, the Board of Education members are responsible for the leadership of these two school districts; and

Whereas, there are more than 14,000 students and 1,000 instructional and non-instructional staff in Livonia Public Schools and approximately 1,800 students and 175 instructional and non-instructional staff in the Clarenceville Schools; and

Whereas, the duties and responsibilities of these individuals often require extensive commitments of time and energy making difficult decisions on behalf of our community; and

Whereas, the COVID-19 crisis has posed unprecedented challenges to these public servants on the two Boards of Education;

Now, therefore, be it resolved:

The Livonia Democratic Club expresses its appreciation to these Board members in their commitment to provide the best possible leadership and decision-making as they address efforts to effectively carry out their responsibilities during this unprecedented time;

Further, the Livonia Democratic Club expresses its deepest appreciation and thanks to all instructional and non-instructional staff at Livonia Public Schools and Clarenceville Schools for their commitment to education and service to their students.
